Letter From the Principal

Here we are looking back at the 2012-2013 school year! I would like to thank all those who worked so hard and created this yearbook to help us "Through the Lens." As years go by, it is my wish that this book will help you remember the good times, the kind people and the great fun you experienced this year. May you remember and be proud of your hard work and accomplishments. Special congratulations to our seniors. May you continue creating more positive memories in your future.

Sincerely,

Lisa Svenningsen, Principal

New Logo

We're excited to announce a fresh look for our mascot! Our new roadrunner will represent PDSD in all future events and sports!

Mural

A group of kids (from all different grades and ages) and PDSD staff worked together to create a mural that will be displayed on the High School/Middle School Building for all time. This mural was possible through a grant from Arizona Commission on the Arts. We thank them for taking the time to create this beautiful mural for all present and future PDSD students!

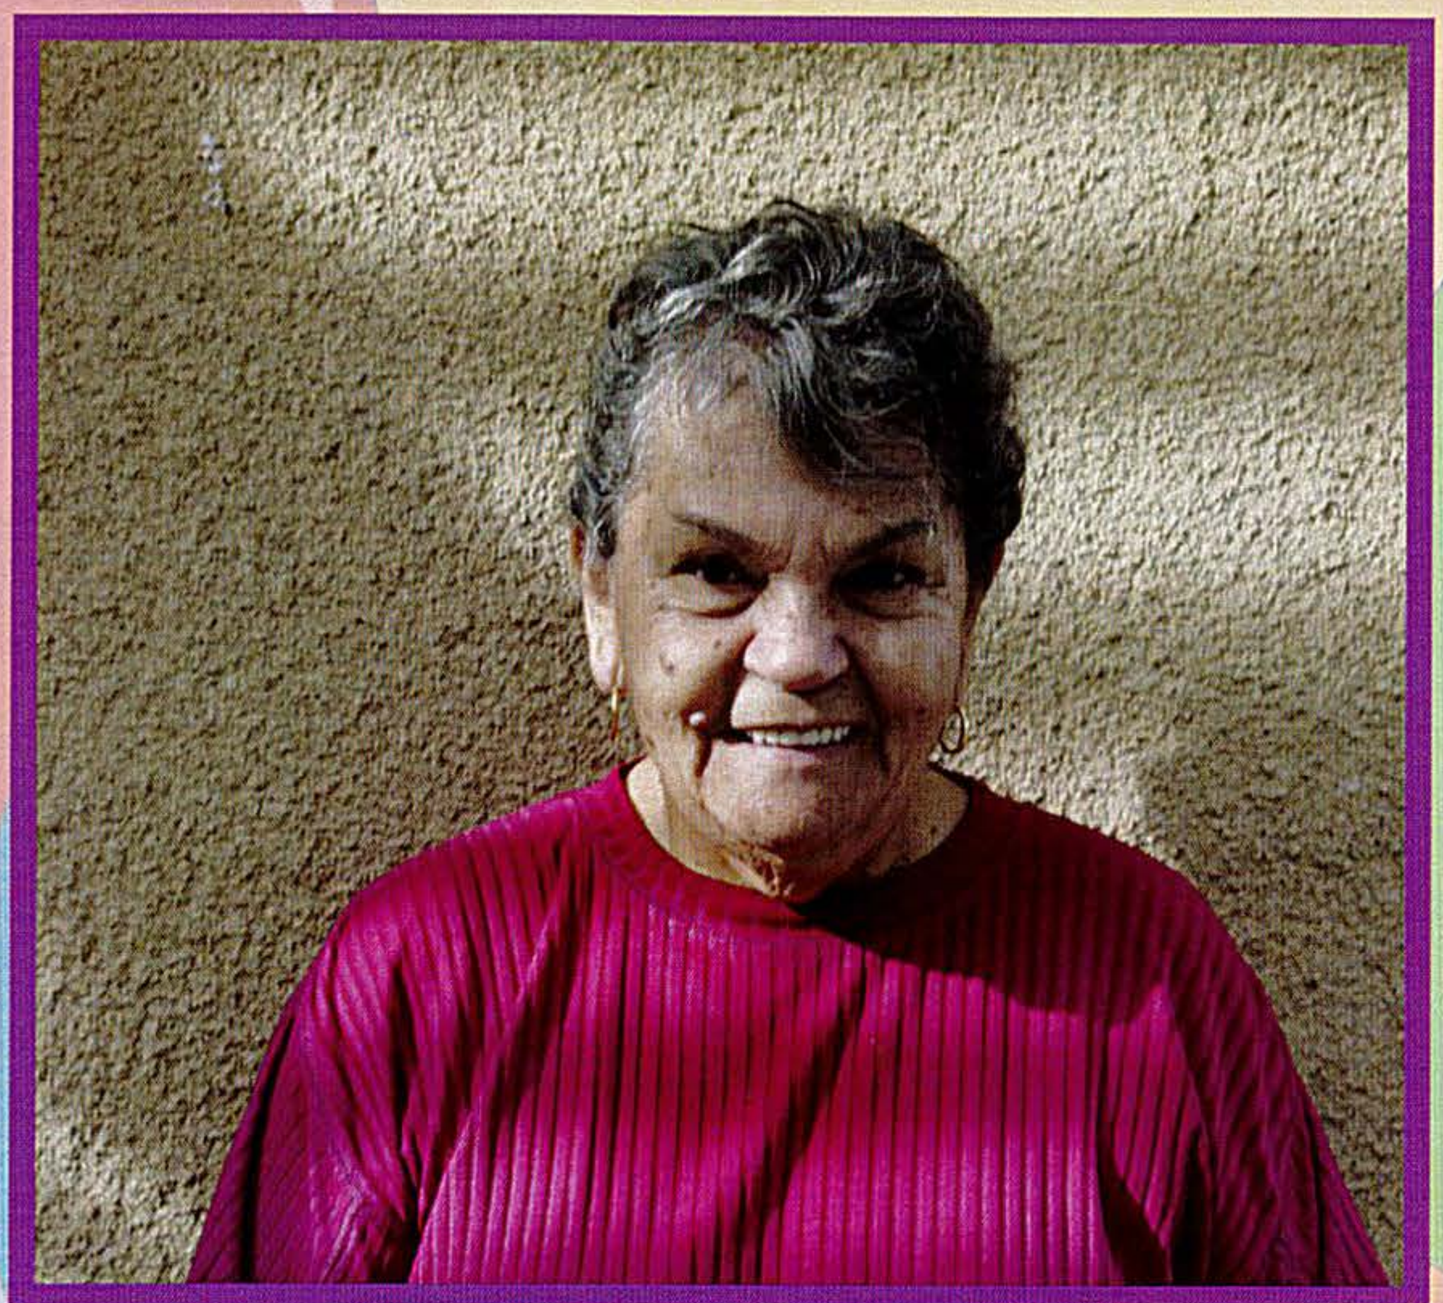
Retirement



Isabell Duenas

We will miss you!!

This is an opportunity to say thanks for the great "adventure" here at PDSD. I have spent a few years here. I started in 1995 as a Spanish Interpreter for the CHIC Outreach Program. Some of the kids, whose parents I worked with, have graduated already! I did that for about two years before being hired as a secretary in the Elementary Department. The years in the Elementary Department have been wonderful. I have worked with a lot of fabulous dedicated teachers in every department, parents, kids, terrific secretaries and the most wonderful boss anyone could have! It has been a great life experience here at PDSD, I will miss the daily routine, but I'm sure I'll establish a new one soon enough!!! Thanks for everything and may the future hold only the best for everyone!!

HIGH SCHOOL

High school is difficult, yes, but it also has rewards - the most important being that you learn many new things and experience what it's like to grow up in the process. And you'll change a lot during this time. So, be ready!

MIDDLE SCHOOL

Middle school is the time when all of us experience changes, some of them positive and some negative, but in the end we emerge out of middle school -- ready to tackle high school and beyond!

Keep going, Roadrunners! Don't give up when you're so close to your dreams!

Are you READY for High School?!

Academic Bowl is all about knowledge, pure and simple. It's a good way to train your brain and maybe even learn something new in the process! We encourage you to think about joining the Academic Bowl team next year!

This is a very fun thing to do! Competing against certain schools (i.e., ASDB) requires you to think quickly to come up with possible answers, and if you don't know anything, just guess! Who knows, maybe you might be right!

That's why it is challenging and fun at the same time. We hope you take the time to think about joining the Academic Bowl team!

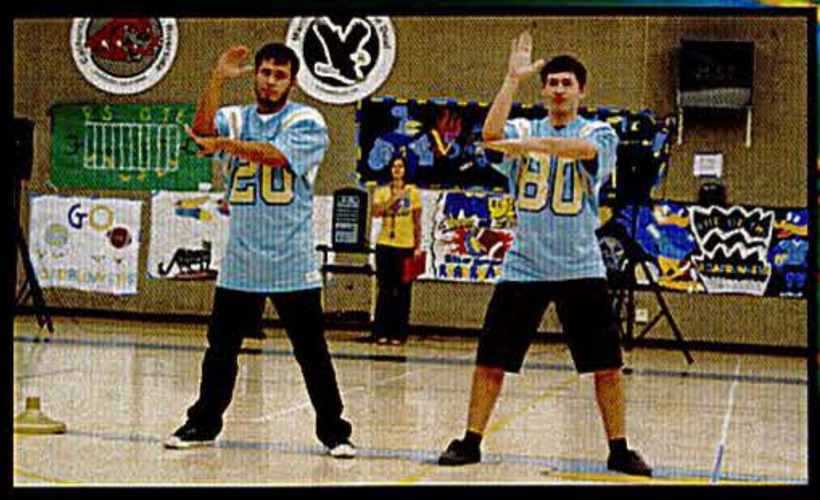
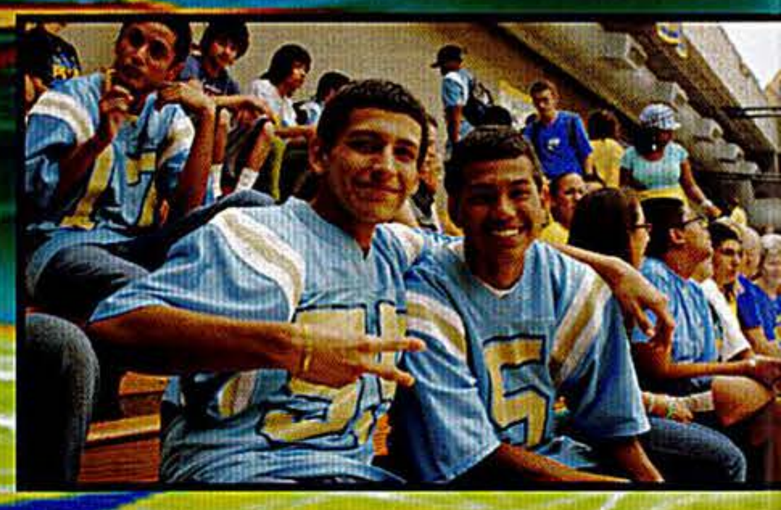
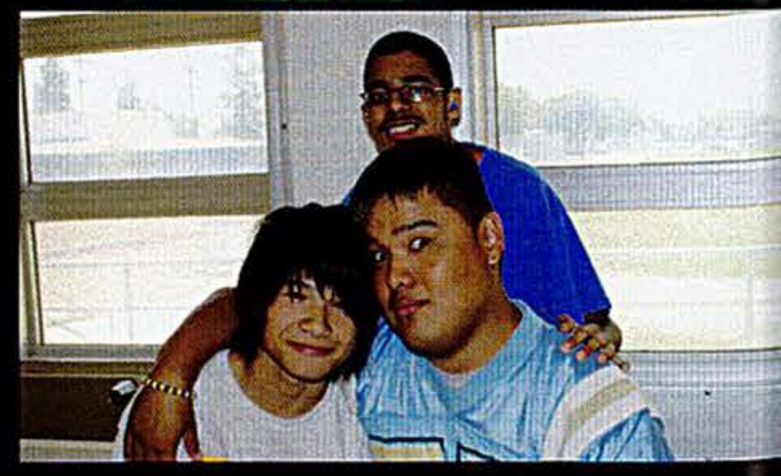
Homecoming

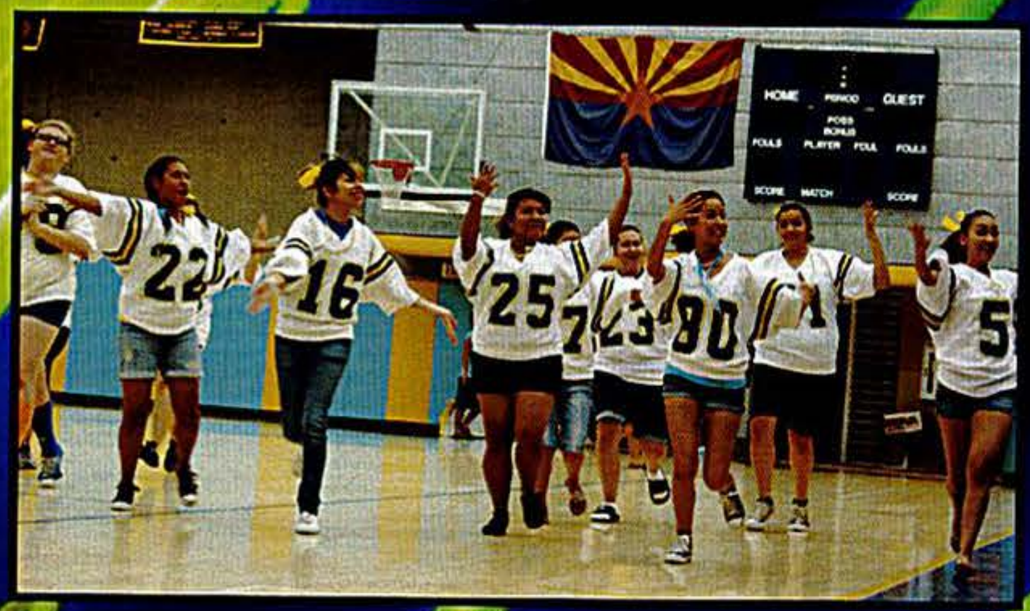
Spirit Week

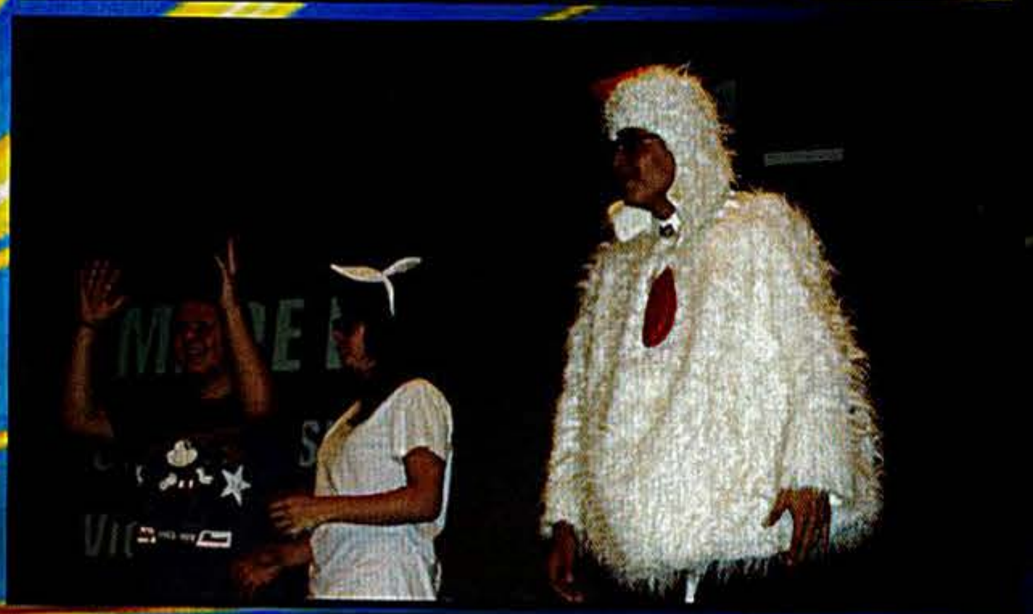


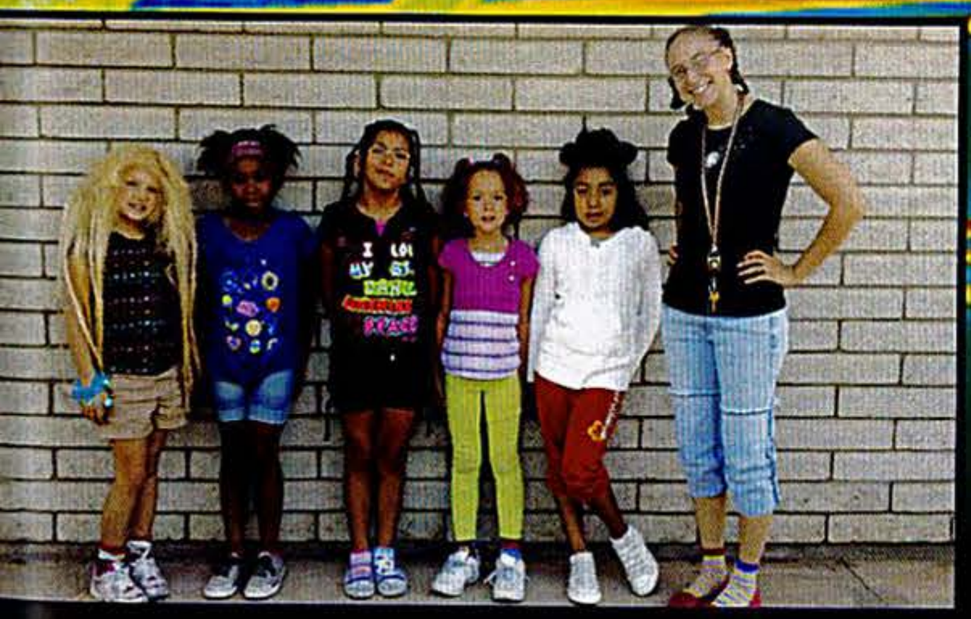




Go Roadrunners!

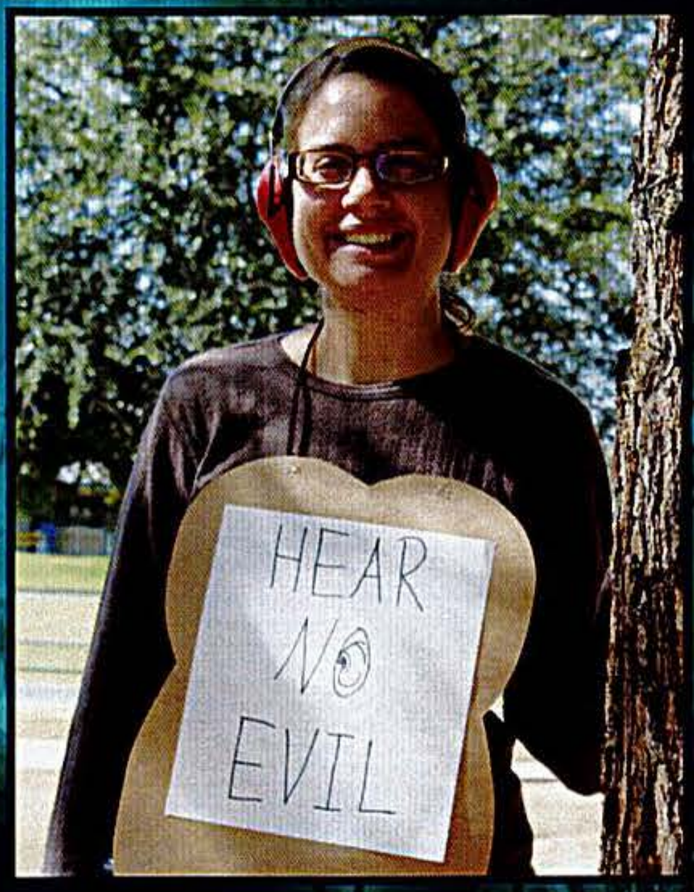






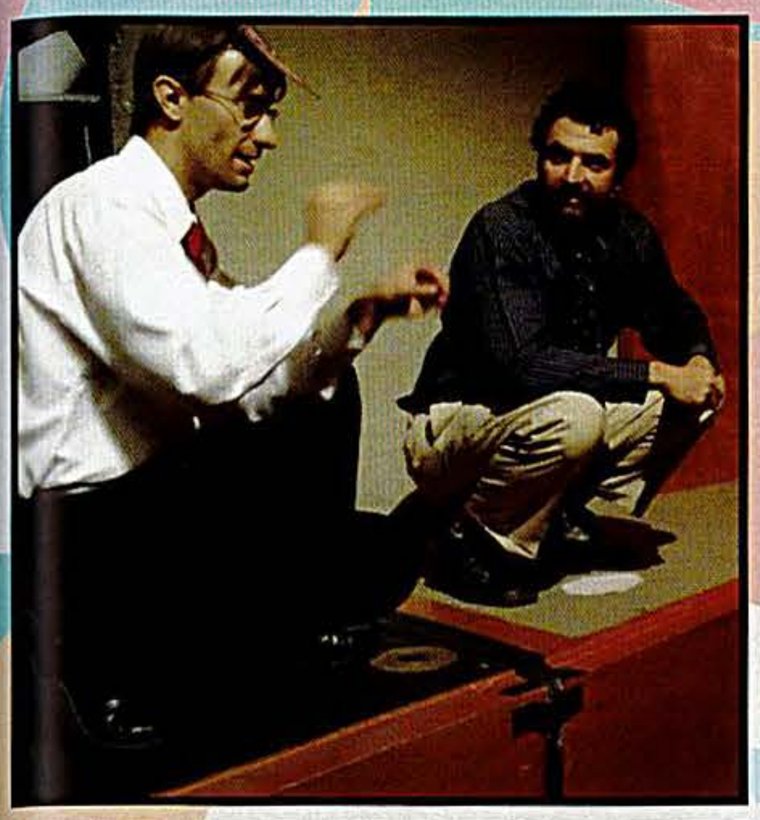
The reason why we have Homecoming every year is to promote and encourage unity among the PDSD students and staff, as well as raising our teams' morale and their ability to do well in sports. We continue to encourage everyone's participation, year after year. We also just like to dress up for this occasion!

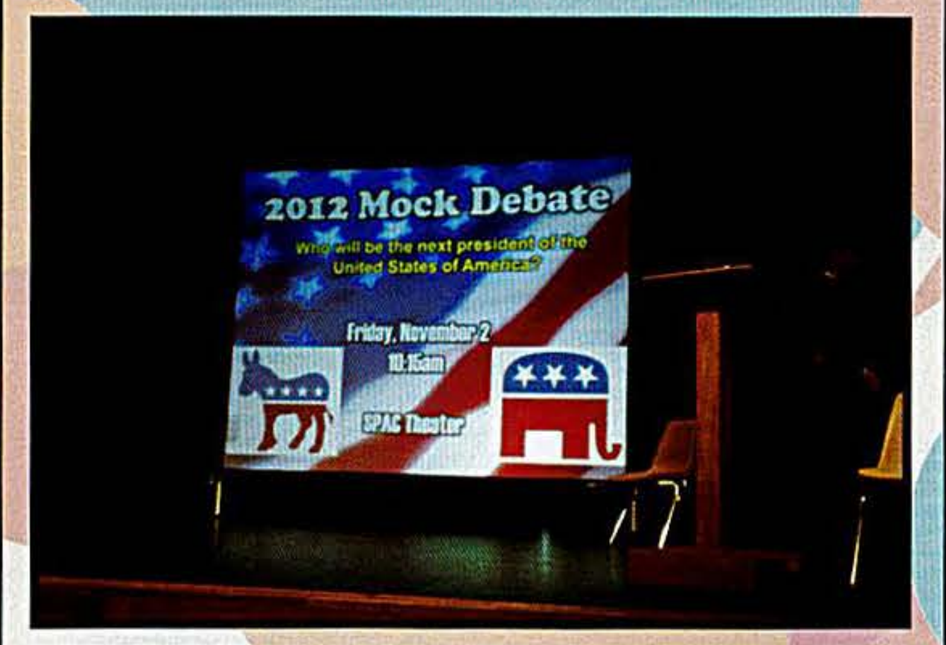
HALLOWEEN

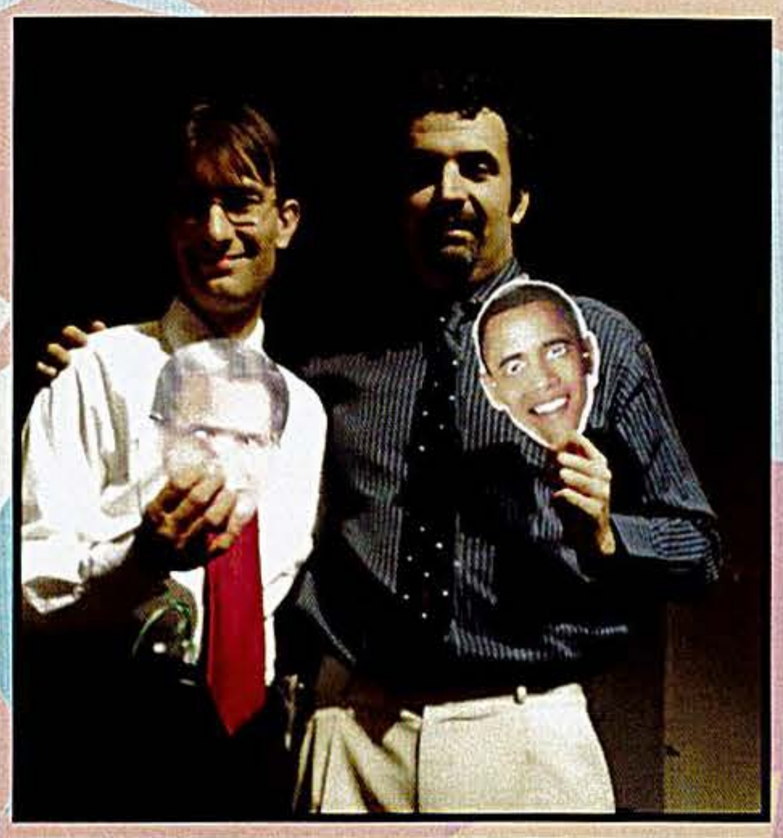


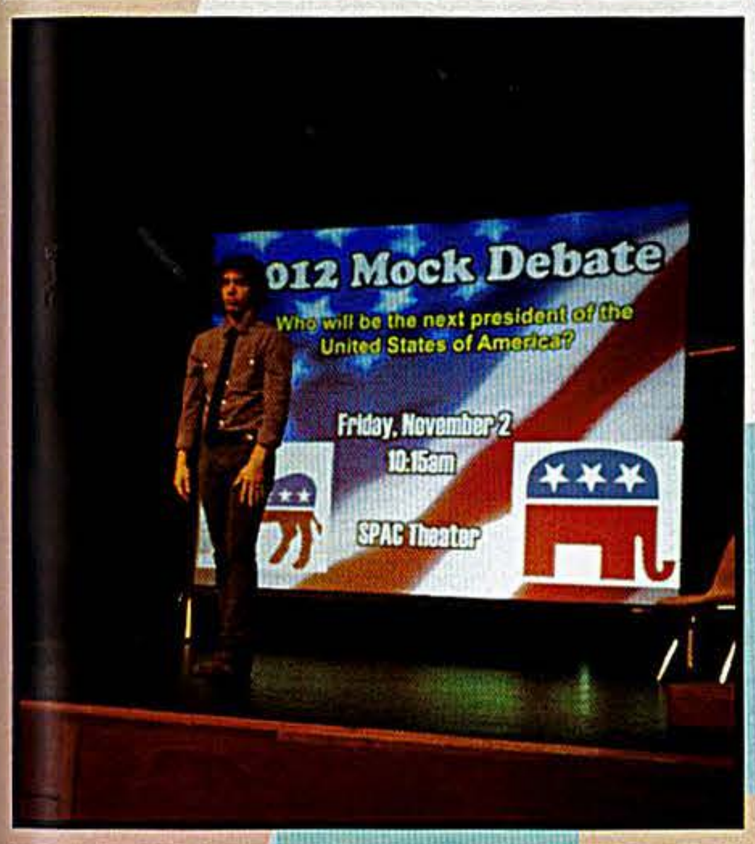
October is a very fun month, full of creepy stories, creatures, and legends! And we dress up in costumes just to bring the mood of October up! Oooooo!

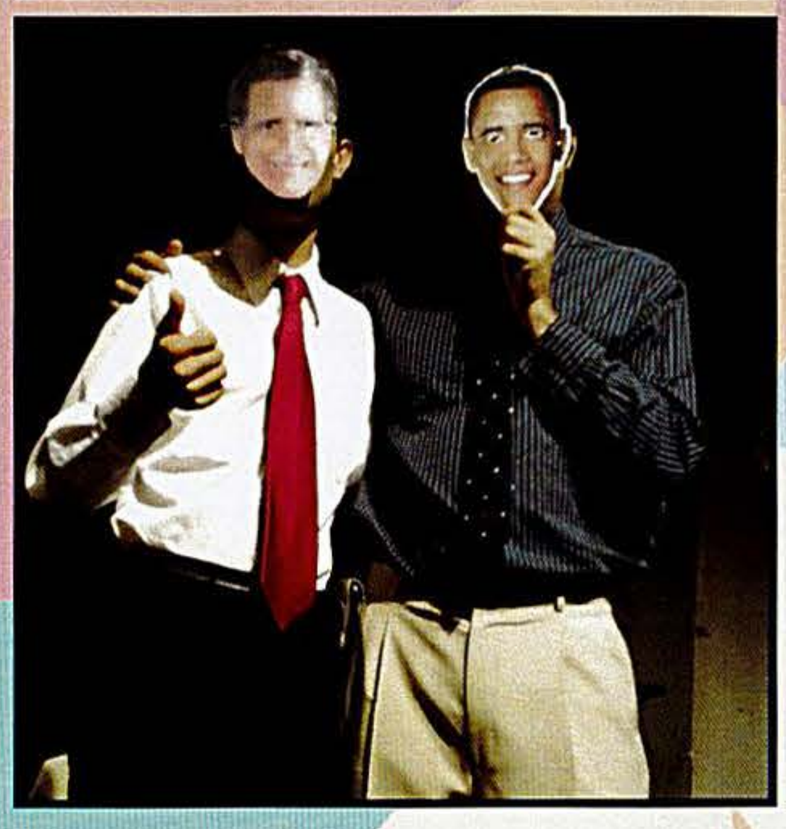
Election







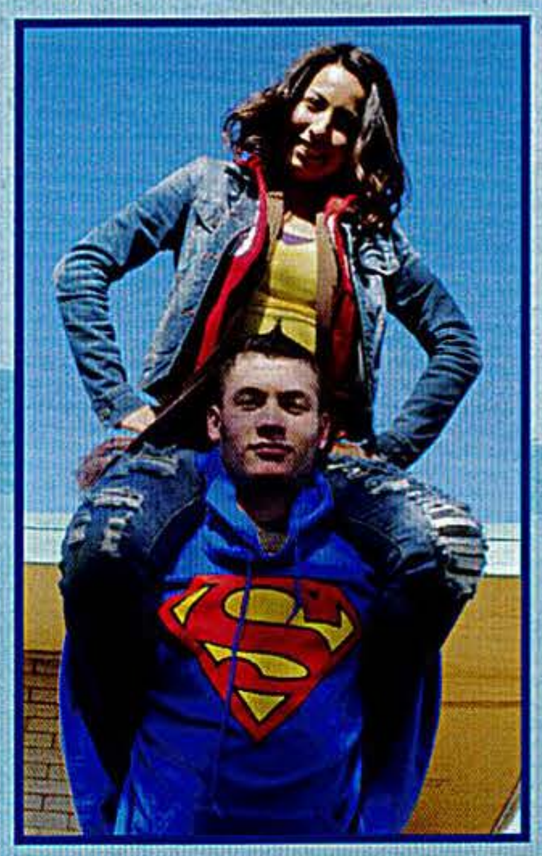


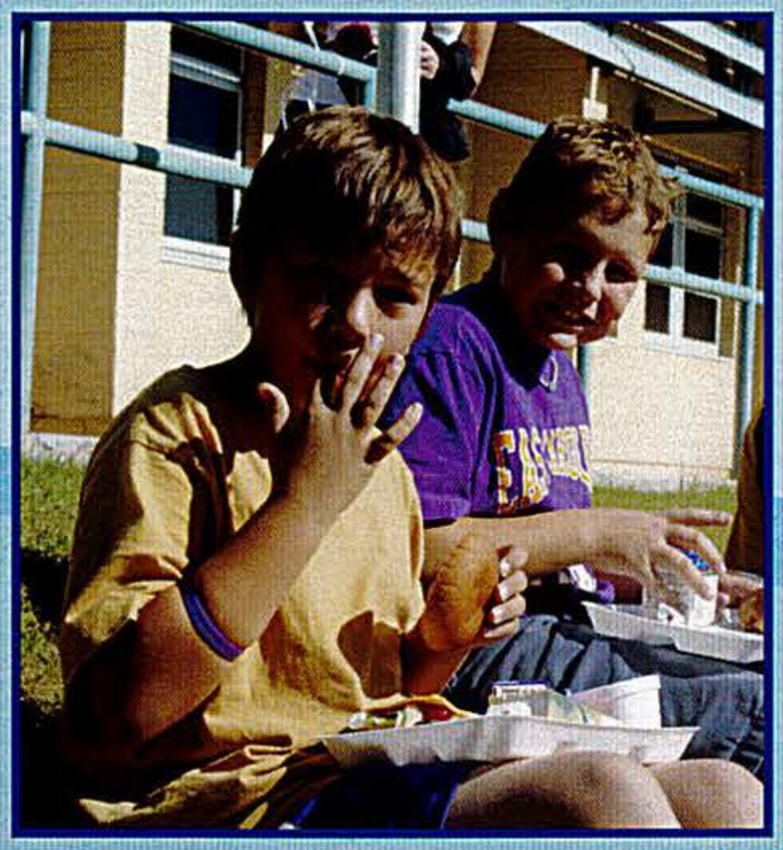


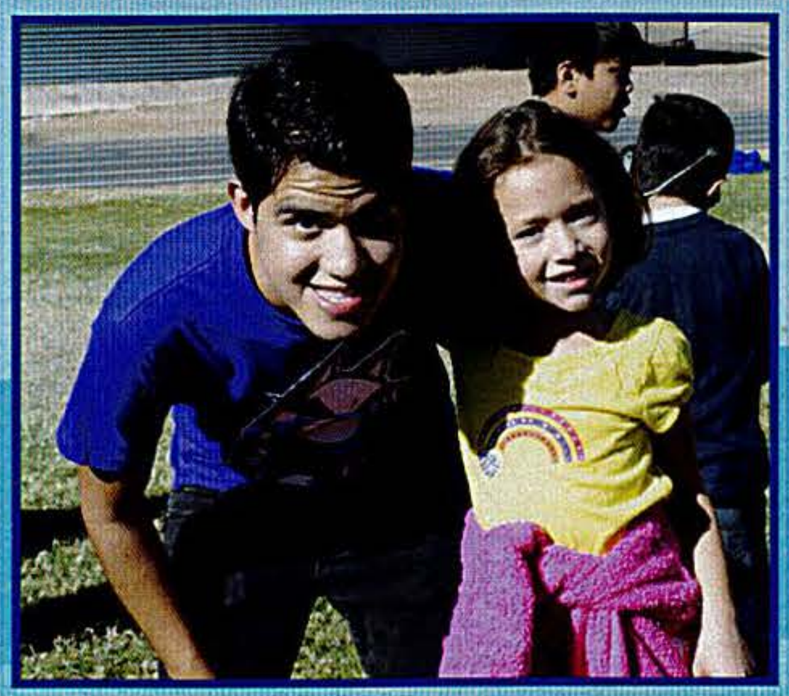
This was held last November at the PDSD theater, featuring Josh Sherk as John McCain and Dave Huber as Obama in a mock debate. The real Obama won the actual election.

Everyone got a few good laughs out of their debate!

Anti-Bullying Week

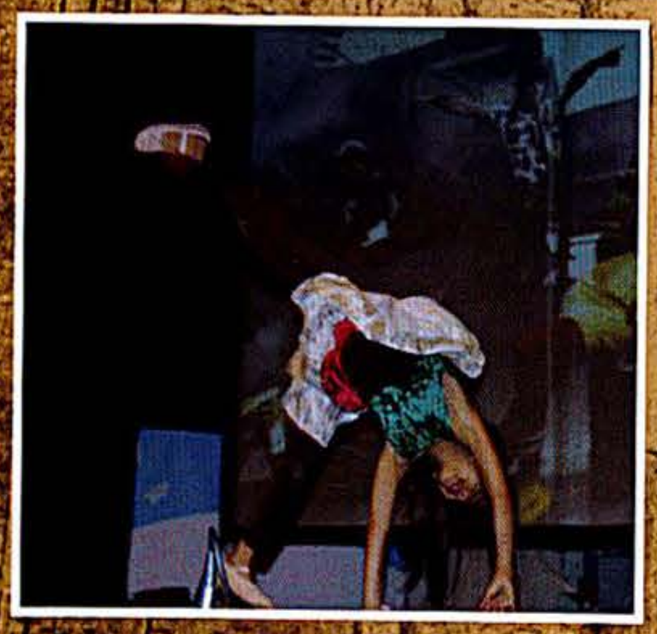






It's important to raise the awareness of bullying and the possible problems that it can bring about, so we can stop it once for all! Be kind to everyone. If you can't think of anything nice to say, then it's best to say nothing at all. PDSD is a bullying-free zone!

Tree Lighting



Every year, around the holiday season, we pick a large tree and place it in the theater, where everyone hangs various decorations on it. It's a fun tradition!

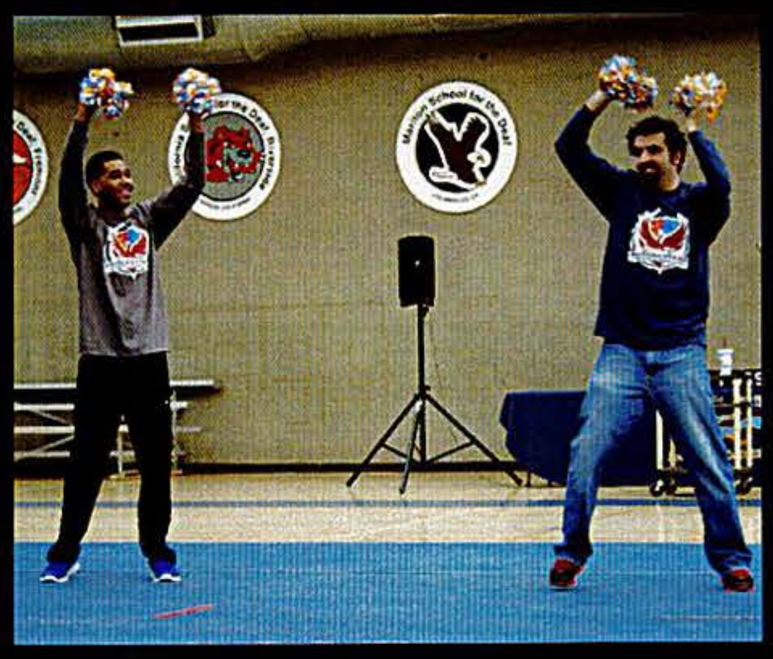
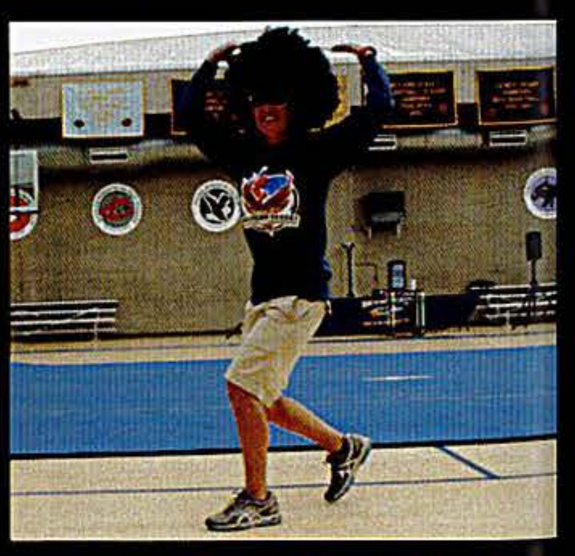
Under Construction

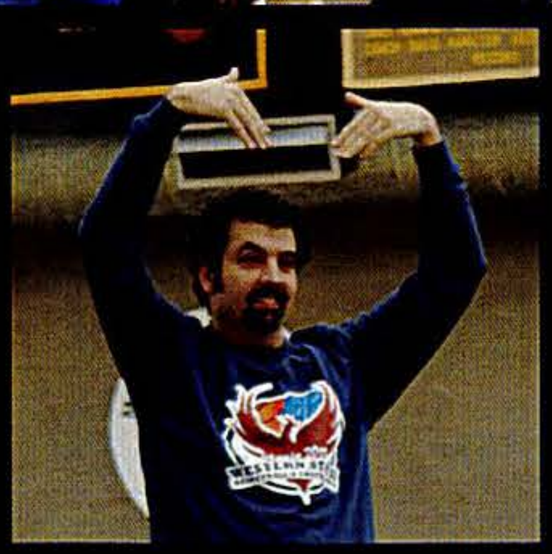
The Light Rail construction is underway at last, and it will be completed in 2016, three years from now. Such a long time, but until then... please be patient!

WSBC

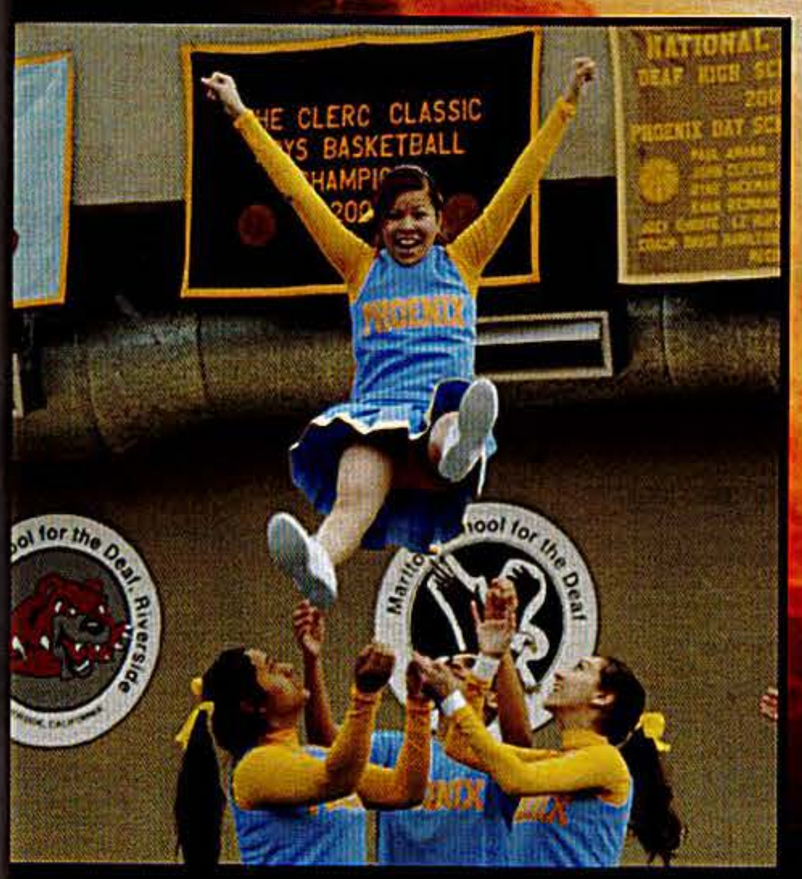
Western States Basketball and Cheerleading Classic







This exciting event, which is hosted annually by a different school somewhere in the western states, brings students and staff from different schools together to have fun and encourage their teams to do well - it's the fun that counts, after all!



As you can see, this page has excellent design, and we thank Alberto Godinez for creating this beautiful piece of work for the WSBC!

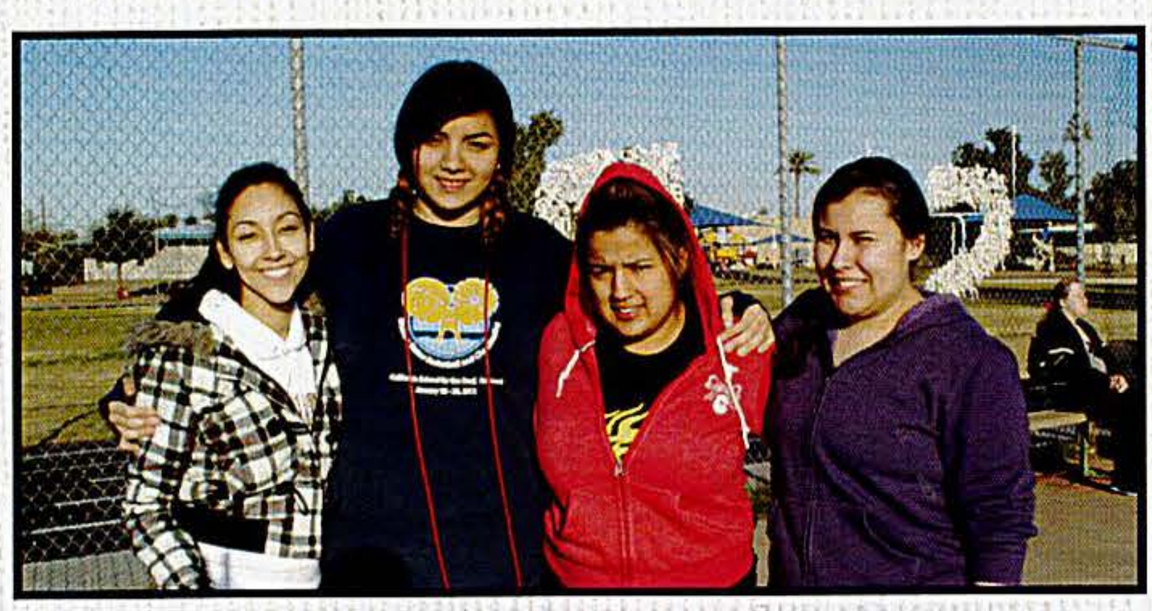
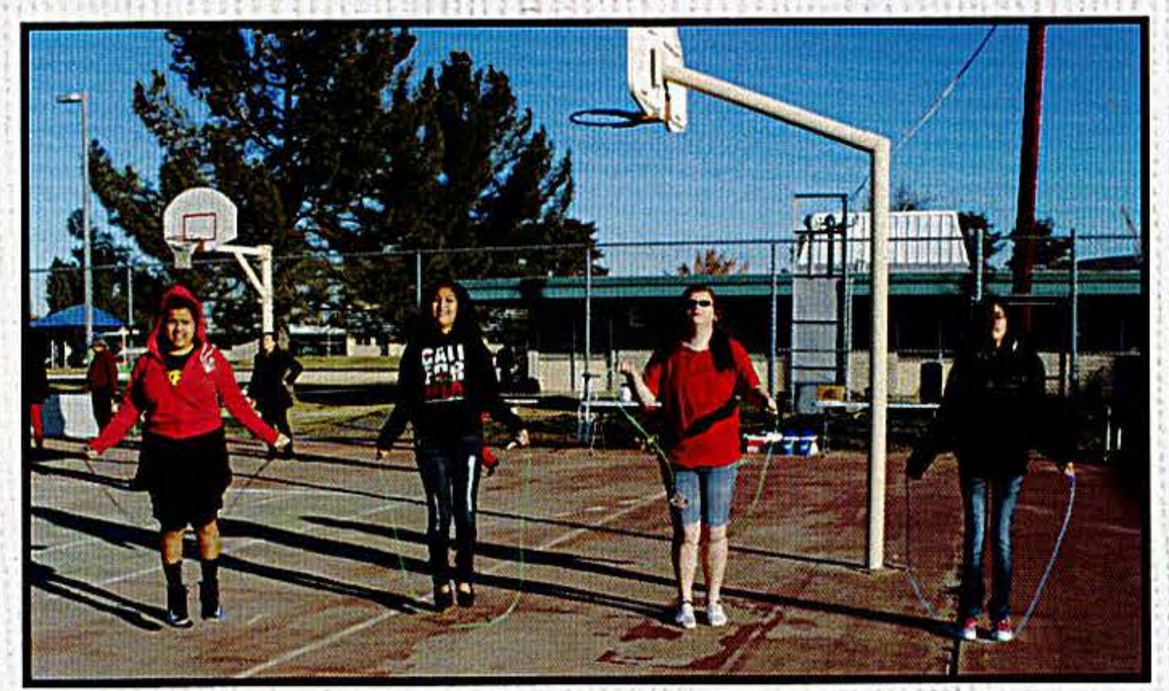
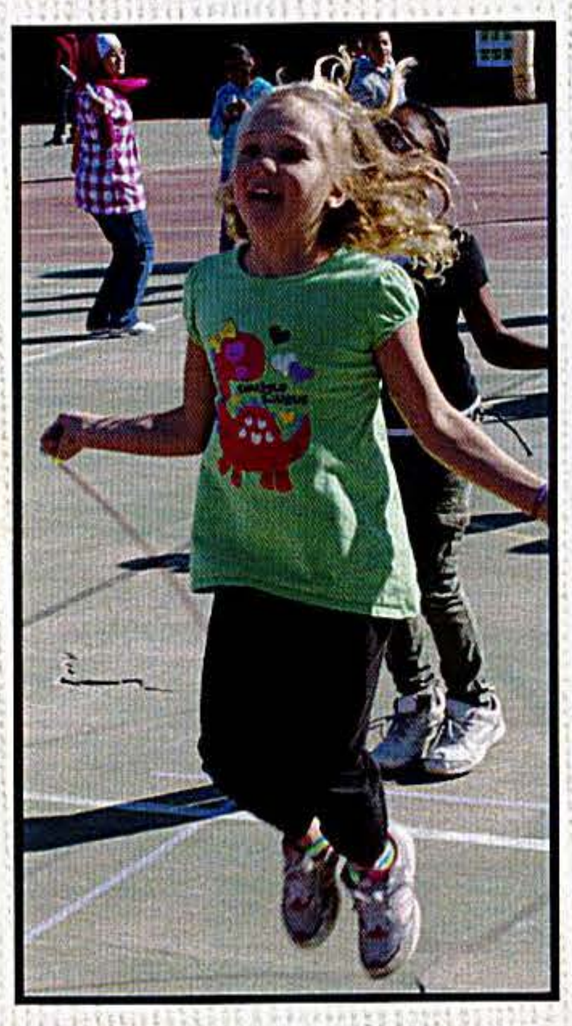
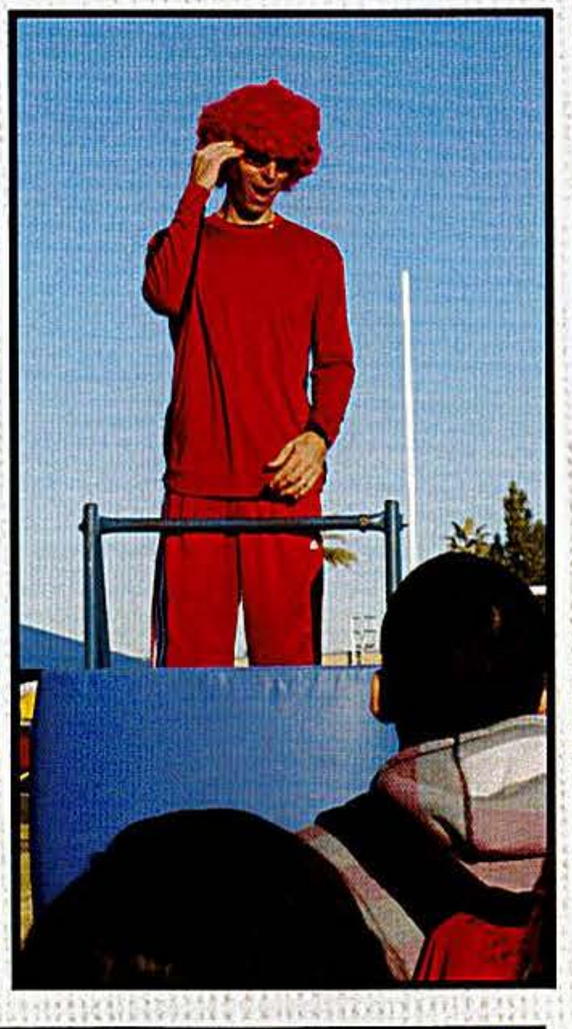
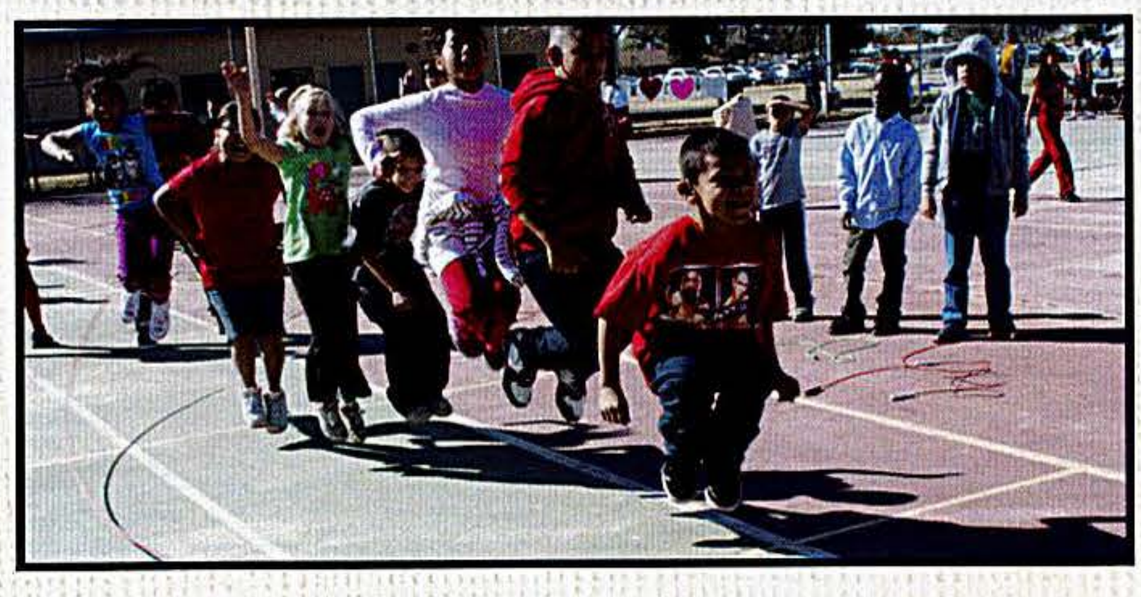
Jump Rope for Heart







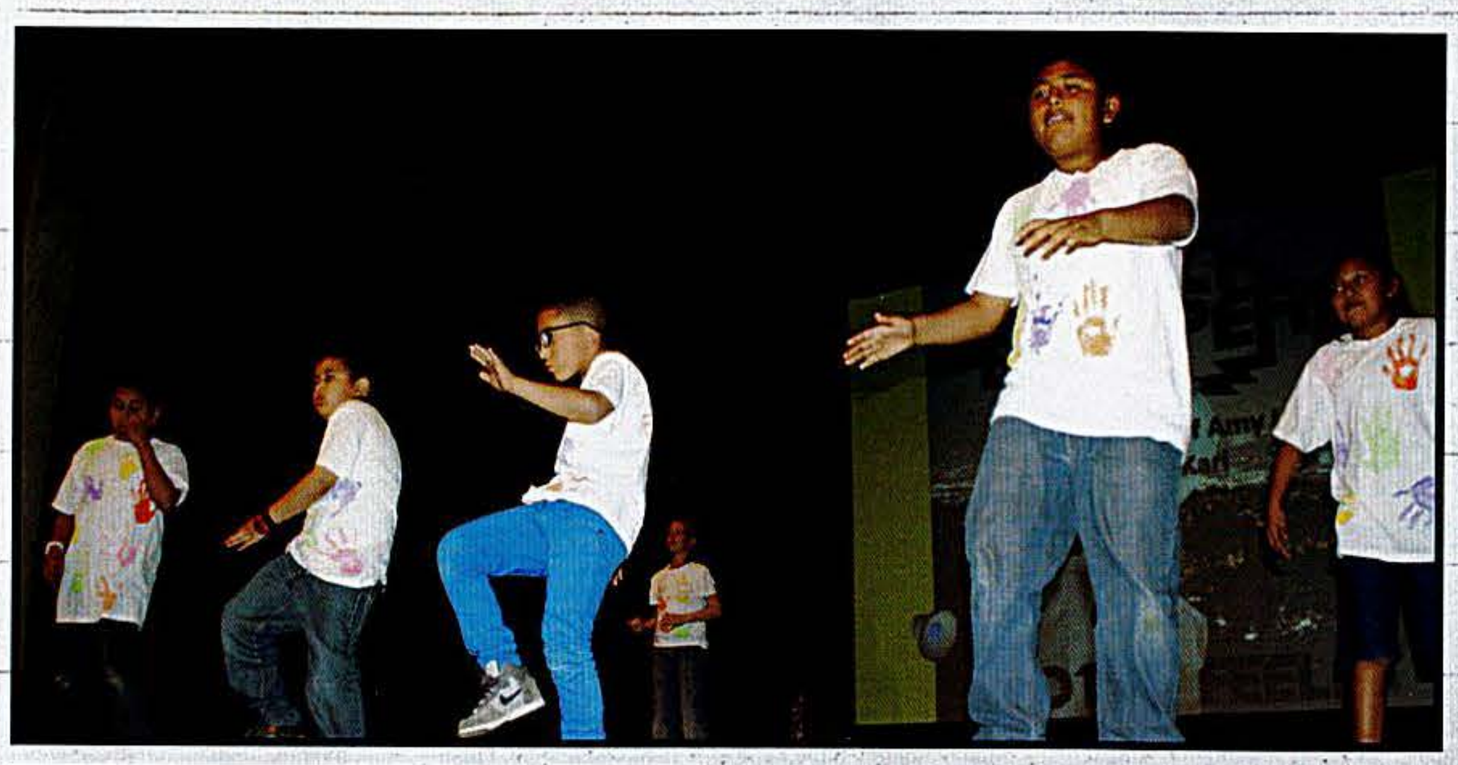


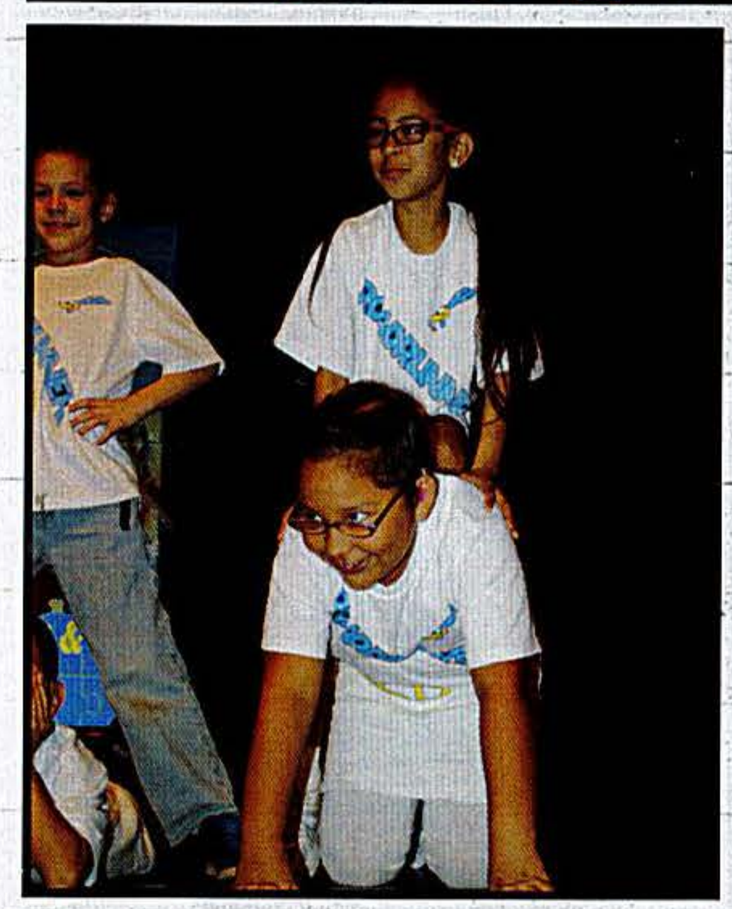


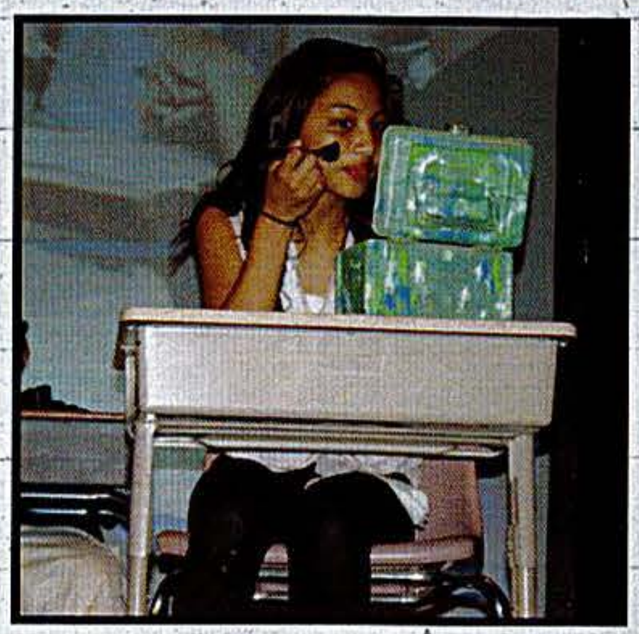
We need to get in shape and be healthy!

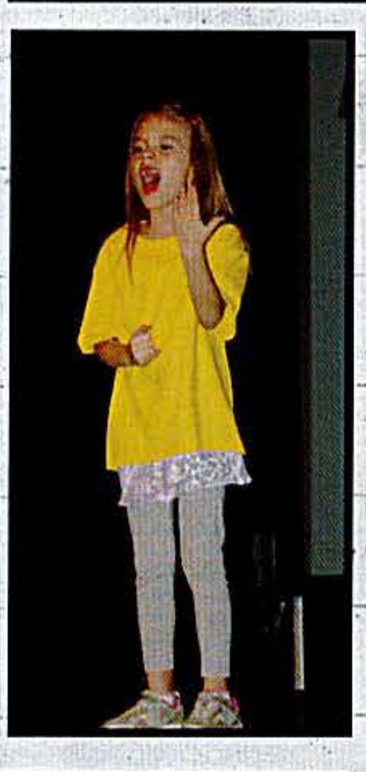
To be healthy, do things like: jumping rope, swimming, jogging, etc. This will keep your heart happy and healthy. It can be fun and it keeps you healthy too!

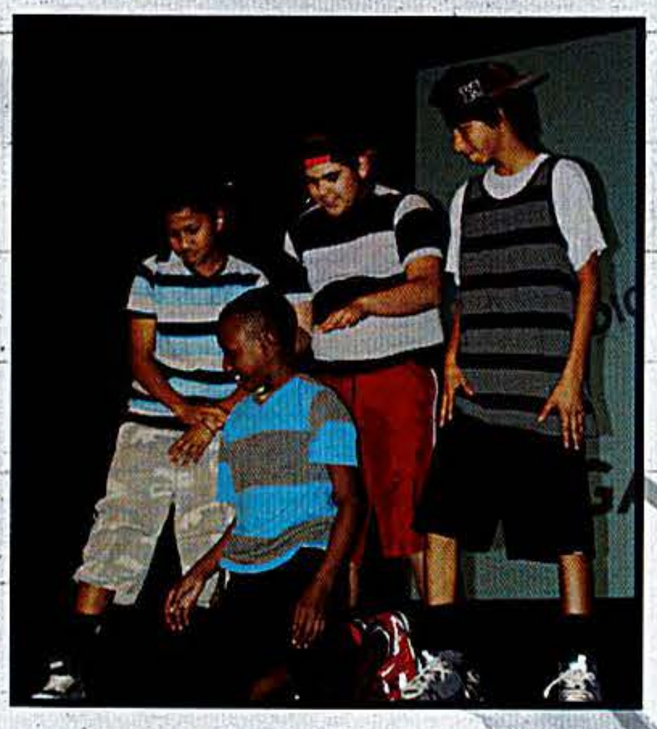
Talent Show

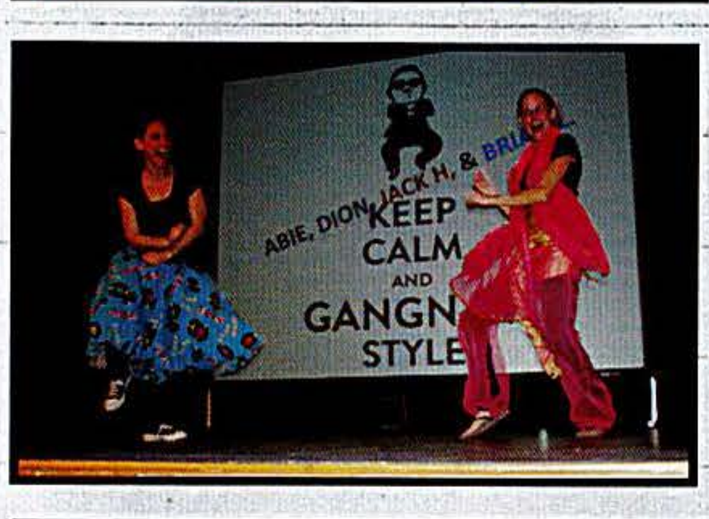


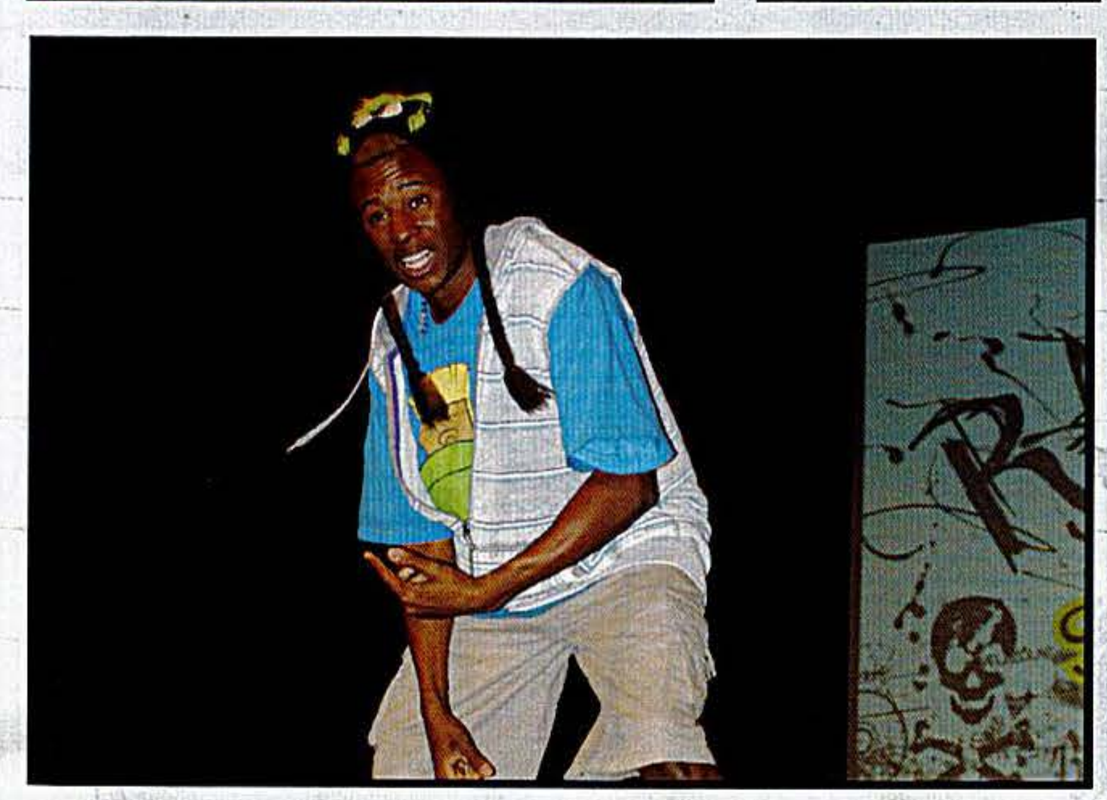






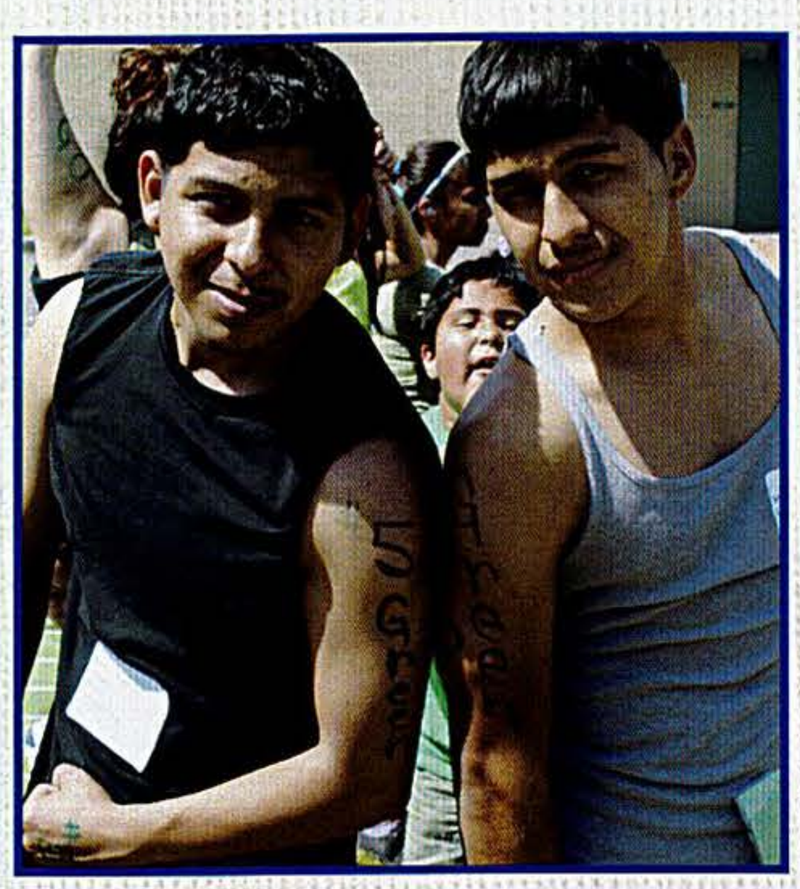


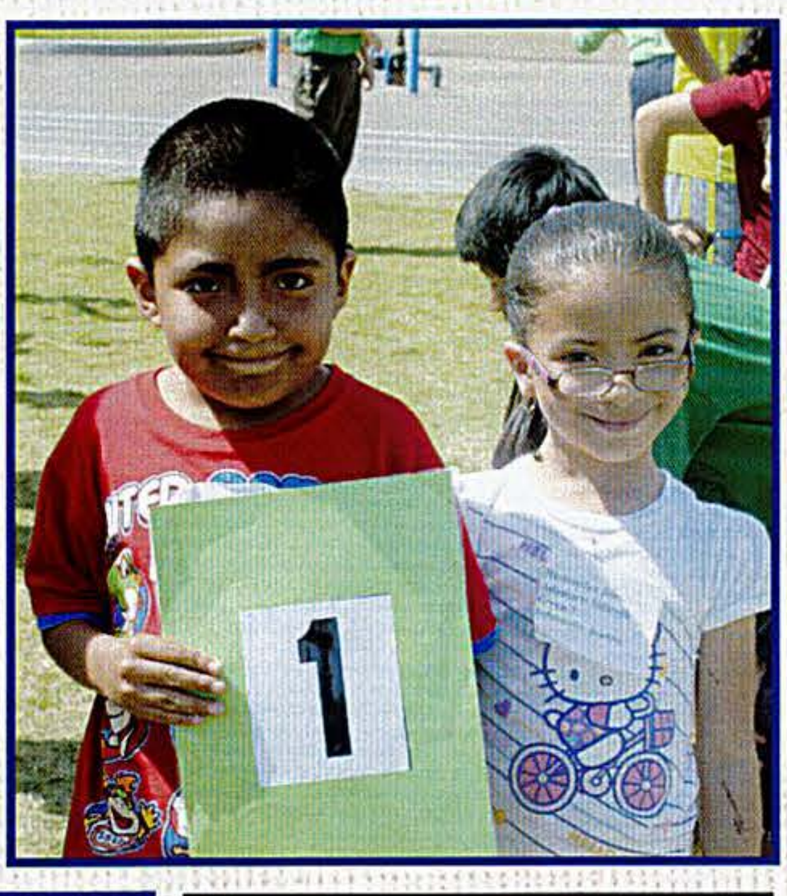


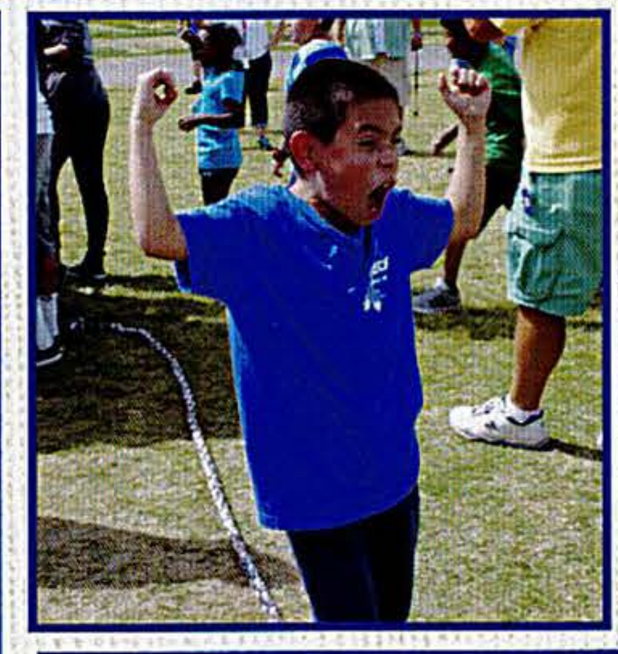


The Talent Show has been running since 2005 and we don't think it will stop anytime soon! It's good to let the school know what unusual/common skill you have by doing that particular skill. The audience is entertained by this.

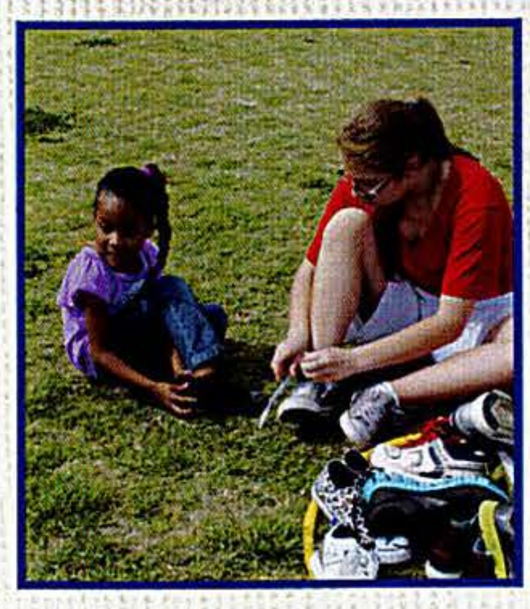
Play Day

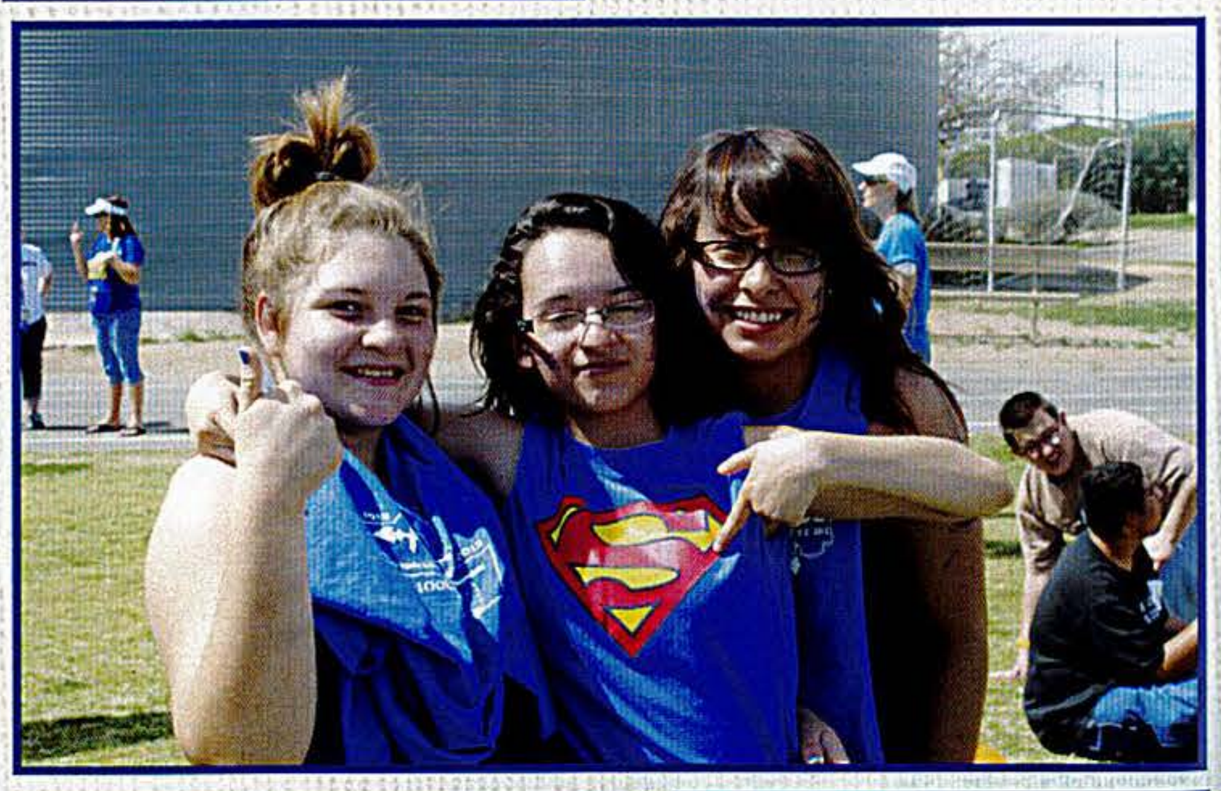






That's right! Talk to the hands!

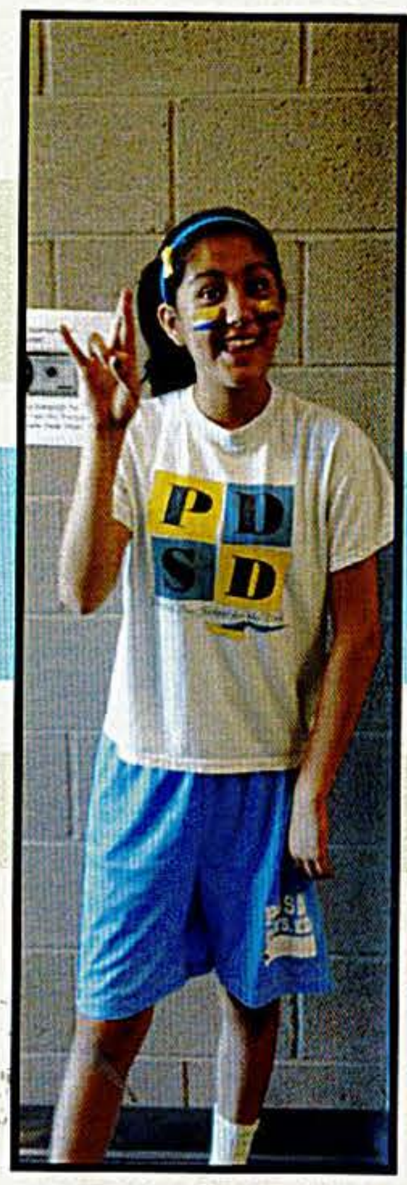


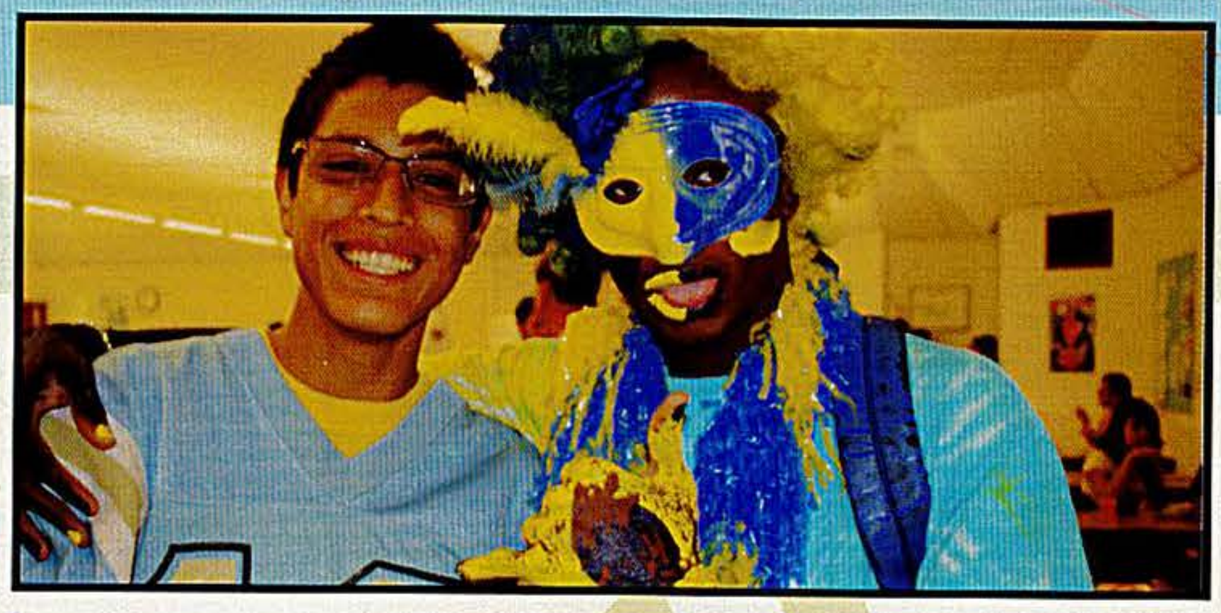


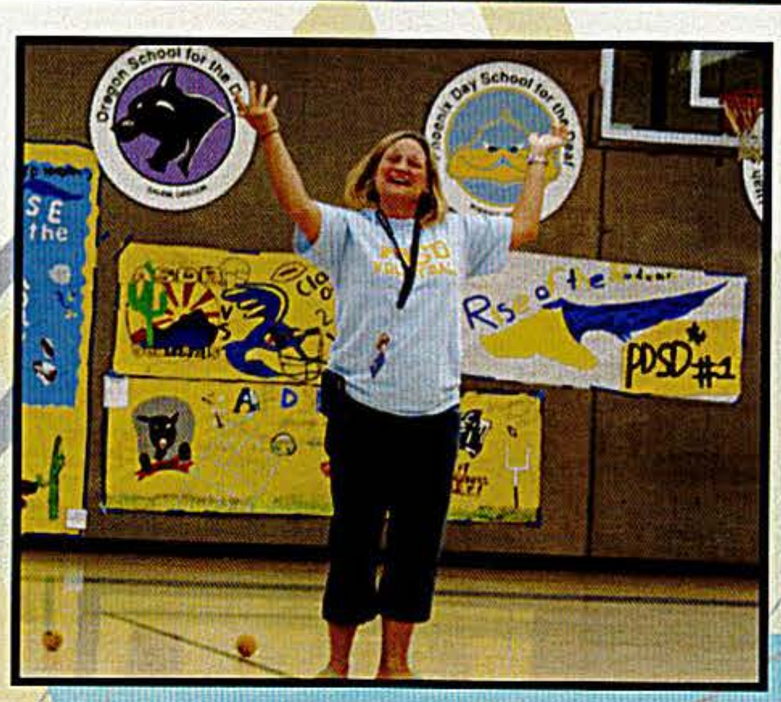
Play Day is a long-standing tradition at PDSD, running for 38 years! It's almost as old as PDSD itself!

Even today, we continue to have fun on Play Day, and we don't think Play Day should be stopped anytime soon!

PDSD ROCKS!







Throughout the years, PDSD has always provided an excellent learning experience for students of all ages, no matter what happens. We look forward to the years ahead with eagerness!

We know that we have talented artists here at PDSD, but they haven't had a chance to display their work to the PDSD public yet. We thought, what better way than to put their artwork in the yearbook for people to see and enjoy! These drawings are great, aren't they?
